Re: Reissue of ARXX Building Products US Patent No. 5,657,600

Dear Mr. Mensen:

This is in response to your email letter of July 26, 2007 concerning our request that you sign the supplemental declaration provided with our counsel, Richard Meyer's letter of May 30, 2007.

Your request for \$138,000 (CA) is unreasonable and inconsistent with your obligations under Canadian law as a former director and officer of the Company. Moreover, you previously assigned all your rights in this patent to the Company, which has paid significant compensation to you over the years.

We are, however, willing to offer you reasonable compensation in form of a reasonable hourly consulting rate to compensate you for spending a reasonable amount of time to review and execute the papers forwarded with Mr. Meyer's letter.

We would appreciate a prompt response to this letter.

Best regards.

Frank O'Dea
President & CEO
Arxx Building Products Inc.
